**ZAITEK**  
DYEING AND COLOURING SOLUTIONS

An aerial photograph showing a dense, vibrant green forest on the left side of the frame, which meets a clear, turquoise body of water on the right. The forest is composed of many small, rounded tree canopies, creating a textured green surface. The water is a bright, uniform blue with subtle ripples. The text 'ZDHC GATEWAY PRODUCTS LIST' is overlaid in white, bold, sans-serif capital letters, centered horizontally between the forest and the water.
